MOMENTS

At Woodsong 2016

We, Becca and Tex, are thankful for each of our campers and the memories that we made with them in the summer of 2016. Take a look through this book, and you will see some of the wonderful moments that make Woodsong special.

FAVORITE
PLACES
TO HANG OUT

Tuesday mornings at the campground always began with coffee and donuts at the Lodge. Later in the evening we would gather for games of Fast Track.

Tex and Arnie cooked up a wonderful pancake breakfast with made-to-order eggs and sausage. All who came enjoyed the food and company of fellow campers.

THE WINNERS

Tex and Zach put on a spectacular fireworks show.

4th OF JULY

This summer Dan Long offered a free RV repair class which answered questions for many campers. Doug Millard organized a CPR course for people interested in certification. Woodsong is grateful that these individuals offered their experience to share with others.

LEGO PARTY

With the Rio Olympics taking place this summer, I thought that a summer olympics for kids would be fun. We enjoyed fun games like the hurdles, the sticky cotton ball pick-up, the cookie roll, pool noodle javelin, and ping pong ball bounce. We finished the party off with pictures on the winners platform.

Cookin' Up Some Corn

JUST "CORN"ING AROUND

The Annual Corn Feed is always a fun time. Many people come up early to help with the shucking and cooking of the corn. Everyone has their fill of corn, even the little ones.

For the second year we invited Tom Otto, a former camper, to make us the most delicious pulled pork. The amazing taste comes from the time-intensive process that prepares the meat. The meat is so tender and flavorful and goes perfectly with the corn. This year Chris and Kim Weber put up a nine-square-in-the-air which challenged many.

The Head family had much success on Ann Lake. They caught Channel Catfish, Large Mouth Bass, Small Mouth Bass, Black Crappie, Panfish/Sunfish, Walleye, Yellow Perch, Sheepshead, and Northern Pike. They were kind enough to share their pictures with us so we could answer the question of what fish are in Ann Lake.

Chili Cook-Off

Winners

BINGO

The Labor Day Chili Cook-Off drew in 16 chili entrants. The campers voted for their favorites. Joan and Mick Abfalter won first place. Doug Millard, Angela Leibel, Jason Wensloff, and Chris Ecklund were the runners-up. Eva cleaned up the 16 crock pots before we returned them to their owners -- what a job!

Labor Day Halloween Fun

Over Labor Day, kids and adults enjoy dressing up and getting candy from the many seasonal campers who decorate and sit outside their campers watching the unofficial parade. This year the Flintstones, Kenny Rodgers and Dolly Parton, and the Super Moms joined in on the fun.

ENDLESS
Summer

"Don't cry because it's over;
smile because it happened."

-- Dr. Seuss

Over the years, Woodsong has become home to so many people. The friendships made here extend beyond the campground and continue for many years. We dedicate this book to Barb Baumhofer who passed away after enjoying her 27th season of camping here. She was a good friend of ours, and we will miss her greatly.
